BIG BLOW TO PUNJAB KINGS

Punjab Kings have suffered a major setback ahead of the 2027 IPL season.

Two key members of the support staff, James Hopes and Brad Haddin, have resigned from their positions.

Hopes, who served as how the batting coach, and Haddin, the former wicket-keeping great, have been associated with the franchise for several seasons.

Their decision to step down has come as a shock to the team management and fans, as both played a key role in building the squad's strength in recent years.

The franchise is now expected to announce new appointments soon as preparations for the 2027 season begin.

'Security of Citizens Must Not Remain Just a Slogan'

Union Minister has said, "The trust of crores of Indians is my biggest strength." However, the recent tragic incident in a Sanskrit Gurukul in Uttar Pradesh, where several students died while cleaning a water tank, has raised serious questions about the safety of students.

This incident is a reminder that people's trust cannot be measured by words alone, but must be reflected in action.

The government must take strict measures to strengthen safety in educational institutions so that such tragedies do not recur in the future.

Australian Athlete Sets 5-Hour Plank World Record

Australian athlete DonnaJean Wilde has created a new world record by holding a plank for 5 hours. The 61-year-old athlete maintained the plank position continuously for 5 hours, impressing everyone with her determination and fitness. Her achievement is being widely praised as a symbol of discipline and inspiring people across the world.

Will One Nation – One Election Become a Reality?

Union Minister has said that the central government is moving forward with a positive approach towards implementing "One Nation – One Election".
He stated that discussions on the issue are currently at an advanced stage and a final decision will be taken at the appropriate time. The minister added that if implemented, it would strengthen democracy, save public money and time, and accelerate development.
The government is holding consultations with all stakeholders, and a clear picture is expected soon.

Income Tax Raids a Major Setback for 'Ramayana' Makers

The makers of the upcoming big-budget film 'Ramayana' have faced a major setback with Income Tax (IT) raids. Officials conducted searches at several locations linked to the film's producers, reportedly over alleged financial irregularities.
The raids have created turmoil in the film industry, as the project is one of the most anticipated pan-India releases. Further details are awaited, and the makers are expected to issue an official statement soon.
